**Subject:** Proposed application by Fingal County Council to An Bord Pleanala in relation to the Broadmeadow Way

Dear Sirs

Dún Laoghaire-Rathdown County Council has been informed by Fingal County Council that it *"proposes to make an application for approval to An Bord Pleanala ... to carry out a proposed development consisting of a new greenway ... between Malahide Demesne and Newbridge Demesne..."*.

The Dún Laoghaire-Rathdown County Development Plan includes the following policy:  
*2.2.7.3 Policy ST7: County Cycle Network\* It is Council policy to secure improvements to the County Cycle Network in accordance with the Dún Laoghaire- Rathdown Cycle Network Review whilst supporting the NTA on the development and implementation of the Cycle Network Plan for the Greater Dublin Area.*

The proposed greenway is part of the Cycle Network Plan for the Greater Dublin Area (routes FG1/N5). The Council therefore supports the proposed development.

As the proposed development and the alternative route options lie outside the administrative area of Dún Laoghaire-Rathdown County Council, I have no observation on the detailed design of the greenway. I trust that Fingal County Council has, in its design, had due regard

to the environmental impact of the proposed development and I trust that An Bord Pleanála will, in its decision, have due regard to the proper planning and sustainable development of the area.

Yours faithfully,

Seán McGrath
