**Subject:** Variation 2 to the 2017-2023 Fingal Development Plan

Hi Donal

I am experiencing difficulty in uploading a submission on the online consultation portal and I would greatly appreciate if you could forward this email to the relevant person who is dealing with Variation 2 to the 2017-2023 Fingal Development Plan.

Please consider the following text to be included as a separate paragraph under sub-section 6.12 "Location of employment" that forms part of Section 6:

#### **6.12 Location of employment**

##### **Core Area**

The text in quotation marks below should be inserted as an additional paragraph after Paragraph 1 of the proposed text

"The opening of Business Parks and industrial complexes near Junctions 5 (Balbriggan South) and 6 (Balbriggan) together with the benefits accruing from the M1 motorway, will increase the attractiveness of Balbriggan to

businesses that require easy access to Dublin airport and the IFSC in Dublin city. The readily available workforce, together with the power, natural gas, and fibre-optic resources can be used to attract large-scale employers to the area."

Many thanks for your help.

Kind regards

John Smith
