Omission of bike lanes from maps in current plan.

Caibidil: Section 4: Maps » Interactive
map

A lot of the bike routes present in the Dev Plan 2017 to 2023 maps are missing in the 2023 to 2029 plan.

Using Swords as an example:

Estuary Bike route from Swords to Malahide.

Bike route from Pinegrove to Fingallians Roundabout.

Bike route from Fingallians Roundabout to Estuary.

Bike route from Rivervalley to Knocksedan.

This is repeated in areas across Fingal. I presume these are omitted in error?

And as a general bit of feedback the legibility of the maps in the 2017 to 2023 plan were better than the maps in the 2023 to 2029 plan.

Trying to read the map where there are multiple examples of a coloured dotted line tracking the same route is extremely difficult.
