Orlynn Park Open space beside the Forge Estate marked as RS, Residential Space

Caibidil: Section 4: Maps » Interactive
map

Orlynn Park open space beside the Forge Estate, close to the Rathmore Road, should not be marked for Residential Space. This open space is used alot by local residents as a recreational area for walks, as a safe place for local children to play close to their homes and out of the danger from passing cars, the space is also used for dog walking. Please keep this area as OS, Open Space and not RS, Residential Space.
