Orlynn Park Development area rezone

Caibidil: Section 4: Maps » Interactive

Hello, this area opposite the entrance to the forge is listed as developmental, I would like to request that this is rezoned to the same as the rest of the park, and develop this into a park. There is already a tennis court and football pitches here, also there is plans to add more facilities here in the Lusk vision plan. Also the trees that are planted inside this zoned area are a continuation of the trees all along rathmore road. I would like to keep them there.

If you look at how many houses are around this green space it would justify the rezoning alone.

Thank you,

Paul
