Draft Fingal County Development Plan 2023-2029

Appendix 8 - Map Based Local Objective No.2 (Tanners Lane/Ardgillan Castle linkage)

Caibidil: Section 4: Maps » Sheet 4:
Balbriggan

'Promote and facilitate a pedestrian over-bridge as part of an attractive walkway along Tannerâs Water Lane to the proposed coastal path linking to the town centre.'

This is a great idea. However is it possible to add OS-Open Space along the West Edge of the railway line and extend Ardgillian Castle into MP 4.A more directly? Discussions with landowners and the OPW would be required but it would be great to see FCC expanding an amazing asset to North County Dublin and Balbriggan.
