## Appendix 8 - Map Based Local Objective (Proposal for MC - Major Town Centre)

**Caibidil:** Section 4: Maps » Sheet 4:  
Balbriggan

Consider adding a **Map Based Objective to Appendix 8** for the upgrade of main streetscape through the town. This is not currently in the redevelopment plans for the town, and is required to join all of the OurBalbriggan interventions together.

Refer to previous comments on MC - Major Town Centre.
