Draft Fingal County Development Plan 2023-2029

Caibidil: Section 4: Maps » Sheet 5:
Skerries

There is very little additional housing proposed around Skerries. This is unfortunate as we are in a housing crisis.

Also why is every other town in Fingal experiencing housing expansion, but Skerries is not pulling its weight? We note the volumes of housing proposed in Donabate for example. Not very democratic!?! Consider please as we imagine that local young people in Skerries need houses too....
