## Chapter 10: Heritage, Culture and Arts

**Caibidil:** Section 1: Written Statement» Chapter 10: Heritage, Culture and Arts

We welcome the plans to protect and promote the heritage and culture of Fingal and recommend the following additions to this chapter.

1. To **develop a ‘Culture Near You’ tool**, an online cultural map that brings together, in one place, cultural information about the county, similar to the one in partnership with Dublin City Council, over the lifetime of the Plan.
2. To explore the possibility of **establishing a Cultural Forum for Fingal**, led by Fingal County Council and working with other cultural partners.
3. To encourage **greater use of the public realm for cultural events** to make towns and villages more attractive for everyone, and to seek provision of new public spaces for outdoor performances that are designed and fitted to host a range of events.
4. Encourage **people with disabilities to participate in the county’s culture** as consumers, creators, artists and workers by supporting a high standard of accessibility in new and existing cultural assets
