Dart + West - Unnecessary disruption to local communities caused by the closure of level crossings

Caibidil: Section 1: Written Statement» Chapter 1: Introduction, Vision and Strategic
Ove...

We ask that the Level Crossings at Ashtown, Coolmine, Portestown, Clonsilla and Barbestown be retained following the development of the Dart+ West Railway Project, as the proposed preferred option for traffic management is not adequate to manage vehicular traffic and will cause massive and unsustainable disruption to local communities.
