Stádas: Submitted

Aighneacht: A Development Plan for a Sustainable Fingal

Comhairliúchán:

Draft Fingal County Development Plan 2023-2029

Actions towards filtered permeability

Caibidil: Section 1: Written Statement» Chapter 6: Connectivity and Movement

In addition to committing to permeability for walking and cycling in new developments, the Plan should include actions to improve active travel permeability in existing developments and actions to implement low traffic neighbourhoods or other changes to reduce vehicular permeability.
