Comhairliúchán:

Draft Fingal County Development Plan 2023-2029

Tráchtanna:

Protect Elmgreen Golf Club

Caibidil: Section 4: Maps » Sheet 13: Blanchardstown
South

Under the plan it appears it is proposed to rezone the land on which the Golf Club sits as residential. It is one of the very few public courses in Dublin that provides 1000 members (including children, teens young adults, older people and those with additional needs including the Irish Olympics Golf Team) with recreation and sports facilities they would otherwise struggle to access. I firmly believe the course and club meets many of the stated aims of the development, including Green Infrastructure and Natural Heritage, Heritage Culture and Arts and that any decision to rezone this land would be in direct conflict with Policy CIOSP 14 Sports, recreation and play amenities (Support sports, recreational organisations in the County for all ages and abilities; encourage sporting and recreational organisations to achieve their aims and goals and support platforms for new and alternative sports to develop). Therefore I would ask that this element of the plan be reconsidered and the land in question not be rezoned so Elmgreen Golf Club can continue successfully serve Fingal as it has done since 1995
