Comhairliúchán:

Draft Fingal County Development Plan 2023-2029

Water systems and Electricity generation capacity

Caibidil: Section 1: Written Statement» Chapter 11: Infrastructure and Utilities

We need to deliver greater water storage capacity and processing capacity now. We are decades behind in this vital piece of infrastructure. Get the Shannon scheme underway and build additional reservoir capacity now.

Limit data warehousing planning permission to preserve electricity generation capacity for residential use in this area.
