PA SH 5.7. Glamping at Holmpatrick

On Tues 11th October the elected members of Fingal Co Co unanimously voted to facilitate glamping at Holmpatrick and inserted a local objective to ensure delivery of this facility. I would ask the executive planners to now abide by the democratic process.

Tourist accommodation is lacking in the Skerries area and this type of accommodation is needed and will compliment the delivery of the Fingal Coastal Way.

There is overwhelming local support for the glamping facility as illustrated by petition <https://chnng.it/7DtfyBhwkB>

Previous studies carried out, including archaeology, environmental, coastal erosion, roads engineering etc. showed how these lands are suitable for development and these reports were ratified by Fingal Co Co's Heritage Officers and services teams.
