

## ***Stimulating Growth...***

## ***How Can We...***

**Goal G1**

**Capitalise on Strategic Economic Location to Build a Diverse Local Economy for Jobs and Inclusive Growth**

**Create a business environment where industries want to locate and do business**  
**Support particular business sectors**  
**Ensure that economic growth impacts positively on all of our communities**  
**Utilise our location for economic growth**  
**Support business networking**  
**Promote Corporate Social Responsibility**  
**Match the skills in the workforce with industry needs**

**Goal G2**

**Strengthen Engagement with Key Stakeholders, Including Irish Diaspora and International Networks**

**Utilise the Irish Diaspora and international linkages through business to attract inward investment**  
**Encourage growth and strategically support the SME sector**

**Goal G3**

**Promote Integrated Urban Development based on Sustainable Environmental, Economic and Social Strategies**

**Ensure that urban development caters for environmental, social and economic needs of the people who live and work in Fingal**  
**Minimise negative environmental impact as a result of urban development**

**Goal G4**

**Promote Integrated Rural Development based on Sustainable Environmental, Economic and Social Strategies**

**Support sustainable development of rural towns and hinterlands**  
**Ensure that Broadband capacity reaches into rural Fingal**  
**Facilitate transport and other connectivity links**

**Goal G5**

**Encourage a Sense of Place and Capitalise on Natural and Built Heritage, and Culture**

**Encourage a sense of place within our communities**  
**Capitalise on our distinct natural features to maximise the attractiveness of locations to live, visit and work**  
**Develop tourism potential based on our unique heritage and culture**

**Goal G6**

**Utilise Economic and/or Funding Initiatives with Capacity for Regional and International Reach**

**Grow the potential of the larger Dublin region**  
**Increase the employment potential and spin-off economic activity through regional and international opportunities**

**Goal G7**

**Target and Coordinate Fingal County Council Powers and Functions**

**Create synergies, joined-up thinking and action to ensure that Local Authority powers and functions actively support economic development**

**Goal G8**

**Nurture Entrepreneurship and Tailor the Support and Development Infrastructure to Encourage Business Start-Up and Growth**

**Ensure the provision of a comprehensive approach to business start-up**  
**Support the growth potential of business start-ups**  
**Capitalise on the potential of the social-economy**

**Goal G9**

**Protect and Enhance the Natural Environment through Resource Efficiency, Green Economy, and Biodiversity**

**Promote resource efficiency**  
**Capitalise on the opportunities within the green economy**  
**Maximise the potential of biodiversity within the Fingal area**  
**Encourage environmental responsibility within enterprise**
