Dear Sirs,

I wish to strongly object to the proposed Cycle/Walk way on Howlous Lane. Our lane is much too narrow to take extra traffic, at the moment when I exit from the side of lane via car, if I encounter a pedestrian they have to stand in close to hedge to let car by, that being one pedestrian - what would a number of pedestrians/cyclists - total mayhem - so dangerous. That is just one side of lane, the Holton position a very blind bend.

Howlous Lane is definitely not suitable for this proposal.

Yours faithfully,

Enclosed money Order (50.00)
