

Have your say

An online non-statutory public consultation is being undertaken in November & December 2020. Fingal County Council would welcome any comments you might have on the proposal and the project team looks forward to engaging with you to discuss the design and the next steps in the planning process.

Further details on how to review plans and make a submission are provided on the back page.

If you have a query about making your submission or questions about the plans, you may contact us at: fingal.developmentplan@fingal.ie

Next Steps

Following this non-statutory public consultation, Fingal County Council will be seeking to secure approval for the works from An Bord Pleanála under Section 177AE of the Planning and Development Act 2000 (as amended) in 2021. You will have an opportunity to make a submission on the application when it is lodged with An Bord Pleanála.

How to submit your feedback

Have your say by reviewing the plans and giving feedback on the Fingal County Council website: <https://consult.fingal.ie/en/browse> from **17th November 2020 to 15th December 2020** inclusive.

Alternatively, by post to:
Senior Executive Officer,
Planning and Strategic Infrastructure Department,
Fingal County Council,
County Hall,
Main Street,
Swords,
Co. Dublin, K37 X8Y2

A hard copy of the full set of drawings can be made available for purchase for a fee of €30, upon prior request to fingal.developmentplan@fingal.ie

Please make your submission or observation by one medium only i.e. online or in writing. Clearly mark your submission as for the **R132 CONNECTIVITY PROJECT**.

Any submissions shall state your name, address and where relevant, the body or organisation represented. Your name and body or organisation represented will appear on the list of submissions.

R132 Connectivity Project

Public Consultation

November - December 2020

fingal.ie 

Development Description

Fingal County Council, in conjunction with the National Transport Authority is proposing to carry out upgrade works to the R132 in Swords. The proposed works include the following:

1. Upgrade works to facilitate installation of new protected cycle and pedestrian facilities, retention of one bus and one general traffic lane in each direction, removal of hard shoulders and/or general traffic lanes, and reduction in speed limit to 50km/h
2. Three new signal controlled crossing points:
 - a. North of Pinnockhill Roundabout
 - b. Adjacent existing Chapel Lane/Ashley Avenue overbridge
 - c. North of Estuary Roundabout
3. The following three existing roundabouts will be changed to signalised intersections to facilitate pedestrian and cyclist facilities:
 - a. Malahide Road Roundabout
 - b. Seatown Roundabout
 - c. Estuary Roundabout
4. Partial/full closure of Drynam Road connection to the R132/Malahide Road Roundabout

These upgrade works will enhance facilities at and between these key crossing points along the R132, improving connectivity for pedestrians and cyclists travelling both north-south along and east-west across the R132. The works will allow for safer and more convenient crossing points between existing and proposed developments. This will also improve connectivity to local amenities such as bus stops.
