Re: New Fingal County Development Plan 2023-2029.

Dear Sir/Madam,

On behalf of our membership, we are deeply appreciative of the support Fingal CC provide St Sylvesters GAA Club. Without your huge contribution, we would be unable to provide the service we provide to our members and the community here in Malahide.

Our club continues to grow at an extra-ordinary pace and with more than 3,500 members we are 3 times bigger than we were a decade ago. As you are aware, we continue to engage with your Operations Team to develop a Sporting Complex in Broomfield whilst maintaining a significant presence in Malahide Demesne and we hope that significant additional progress on this programme can happen in the next few years.

Given our current membership profile and the growth we are experiencing, we are once again struggling for capacity to cater for all our players. With this in mind, we would greatly appreciate if you would keep in mind our need for additional playing resources in the years ahead. If opportunities for additional space become available, St Sylvesters GAA Club will be particularly keen to pursue.

In particular, we will need a large area that is suitable for development into a floodlight, all-weather playing surface to meet the needs of our younger players.

Once again, thank you for supporting our club and our local community

Yours sincerely

Paddy Miskelly
Club Chairperson
