Since 1998 a Voluntary Group have had correspondence with Fingal Co. Co. T.D. Councillors, suggesting "Sheltered / Supported Housing be built for the elderly in Skerries -

A site on the Golf Links Road was proposed + now even after 20 years we await some response - A VACANT SITE IS beside the new Housing Estate Ballygassan, Golf Links Rd Skerries

We would hope a Project could be built in the near future !!
Public meeting was held 2019 - "Together + Independent" booklet was distributed showing facilities in Naas, Co. Kildare + Belfin Court, Inchicore, Dublin 8 + Rinnis Co. Clare

* Skerries Residents look forward to the building of the extension to the Carnegie Library in the year ahead.

Yours sincerely
