Re: Greenbelt Swords/ Section 4: Maps/ Draft Sheet 8: Swords/ Retention of Greenbelt

I support the retention of the marked area (**see map overleaf**) in **Section 4: Maps/Draft Sheet 8 Swords**, as zoned greenbelt.

This is highly important for the physical and mental health of the people living in **Rivervalley, Ridgewood and Knocksedan** as it prevents urban sprawl. Urban sprawl causes increased pollution, traffic congestion and a decline in community distinctiveness and cohesiveness. It also leads to the destruction of wildlife habitat and remaining natural areas.

The Greenbelt also creates a noise free buffer and aids in the provision of clean air. The Greenbelt is the "lungs" of our community.
