

Submission Re: Fingal Development Plan 2023-2029

To: Senior Executive Officer,
Planning and Strategic Infrastructure Department,
Fingal County Council, County Hall, Main Street, Swords, Co. Dublin, K67 X8Y2.

May 2022

Dear Sir/Madam

For a period in excess of 50 years various organisations and social groups within the Community of Saint Margaret's have used the parish hall for events and gatherings on a continual basis.

Members of the Saint Margaret's Community have contributed large sums of money in order to maintain and improve the building structure and fabric (without which the building would have fallen into severe disrepair and dilapidation) in payment for the use of the parish hall. It should also be noted that the hall is within the "Special Policy Area" of Saint Margaret's

I and my family believe that it has now become necessary that the Hall and curtilage be zoned as **community infrastructure**.

Additional Comments:

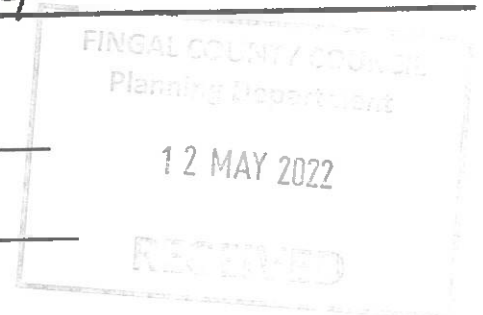

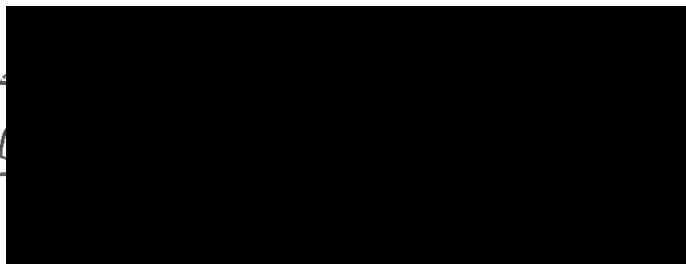

The zoning of the Parish Hall - house and land would facilitate the aims of St. Margaret's Special Policy Area Strategy

It is badly needed by our community

Yours Sincerely,

Kevin Linn
