SITE LOCATION MAP 1:1000

Drafting Note:

The redline and blue line boundary extents are drafted correctly and based upon the detailed topographic site survey undertaken for the lands. The Ordnance Survey Map depiction of the site extent is not fully accurate. The Ordnance Survey Map cannot been altered, therefore the red line and blue line boundaries appear mis-matched to the Ordnance Survey map, but are correct and consistent with the detailed topographic survey and all other depictions of the red line and blue line in drawings submitted as part of this planning application.
